AUGUST 23, 2018 | STONEWALL ORCHARD GOLF CLUB

Dear Local Business Leader,

We invite you to consider **sponsorship** for our 25<sup>th</sup> Anniversary annual golf outing on Thursday, August 23<sup>rd</sup>, 2018, hosted at Stonewall Orchard Golf Club in Grayslake. It is with the generous support of our donors that we see incredible transformations occur with the moms we serve, resulting in a different future for them and their children.

Fellowship Housing is a 501(c)3 non-profit, **that has welcomed over 800 moms and their children into the program since 1991**. We are a two year transitional housing program that serves homeless or at-risk single moms and their children in the Northwest suburbs of Chicago. Our mission is empower single mothers to create new legacies for their families. We do that by providing affordable housing and a comprehensive two year program guiding them from crisis to long-term stability. On average there are eighteen families in the program a year, and the program is growing!

Our renewed 3-year vision is that every motivated local single mom in need would be found, welcomed and empowered to create a new legacy for her family. Would you join us in making that vision a reality for the mothers in need right here in our community?
