

YOU'RE INVITED
to empower at-risk single moms in our community
through an auction donation for the
Annual Black & White Gala
Saturday, February 23, 2019

Dear Business Manager:

We invite you to consider **donating an auction item** for our annual Gala on Saturday, February 23, 2019 at 6 pm, at Avante Banquet Center in Fox River Grove. This annual Gala brings together over 300 of our supporters for a night to benefit the moms of Fellowship Housing.

Fellowship Housing is a 501(c) 3 non-profit, serving over 900 moms and their children since 1991. We have been empowering single moms in our community through our two year transitional housing program for over twenty-seven years. Our mission is to empower single moms to build a new legacy. We do that by breaking the cycle of poverty through providing safe housing in Hoffman Estates, Schaumburg and Elgin along with a comprehensive two year program guiding them from crisis to long term stability. **87% of women who enroll in the Fellowship Housing Program graduate into independent housing of their choice.**

How can you help?

Silent and Live Auctions- We would sincerely appreciate it if you would donate a product or gift card from your business to be featured in our auction. Your gift will be viewed by business and community leaders from the northwest suburbs and help bring positive change to our shared community. Any donations received prior to January 1, 2019 will ensure your business recognition in our program and event marketing.

We sincerely appreciate your consideration. Every donation in every size makes an impact.

All the best,

Courtney Burton, Event and Marketing Manager
2200 West Higgins Rd. Suite 130
Hoffman Estates, IL 60169
